

The Florida-Georgia District Flood Bucket Challenge

"We love because he first loved us."

(1 John 4:19 ESV)

Disaster Response

When a flood strikes, lives are turned upside down. Responding to hurting people is a vital part of who we are as members of The Lutheran Church—Missouri Synod (LCMS). The Florida-Georgia District, in a cooperative and coordinated effort with the LCMS Disaster Response ministry, is launching the first ever Flood Bucket Challenge. Every LCMS Congregation in the Florida-Georgia District is encouraged to participate.

Each flood relief bucket contains:

- Devotional
- Paper towels/Disposable rags
- Glass cleaner
- Cleansing powder
- Liquid cleaner
- Bleach (1-gallon size)
- Scrub brush
- 2 pair of rubber gloves
- Sponge(s)

The target for this effort is for every congregation to provide 15 completed Flood Buckets and transport completed buckets to the rallying point for pick up.. More information can be found on the Florida-Georgia District web site: <http://flgadistrict.org/floodbuckets>

Contact Joel Mathews, Program Coordinator
813-215-8098 or jkmathews6610@gmail.com
Or
John Elliott at the District Office
407-857-5556 x 7
