### Impressions from Orlando

#### Attendees:

- I grew in my knowledge of stewardship and how to implement it within my congregation
- That our stewardship is to the community not just our church.
- Stewardship is key to the spiritual growth process and needs to be part of the regular ministry program.
- Was extremely impressed with how well it was run and how exciting the information was to learn.
- We thought every aspect was great from the program, the options, & the time for Fellowship.
