

The Florida-Georgia District Flood Bucket Challenge

THE
LUTHERAN CHURCH
Missouri Synod

Mercy Forever

**“We love because he first
loved us.”**

(1 John 4:19 ESV)

When a flood strikes, lives are turned upside down. Responding to hurting people is a vital part of who we are as members of The Lutheran Church—Missouri Synod (LCMS). The Florida-Georgia District, in a cooperative and coordinated effort with the LCMS Disaster Response ministry, is launching our third Flood Bucket Challenge. Every LCMS Congregation in the Florida-Georgia District is encouraged to participate.

Each flood relief bucket contains:

- Devotional
- Paper towels/Disposable rags
- Glass cleaner
- Cleansing powder
- Liquid cleaner
- Bleach (1-gallon size)
- Scrub brush
- 2 pair of rubber gloves
- Sponge(s)

The target for this effort is for every congregation to provide 10 completed Flood Buckets and then coordinate with the District Office for the transportation to a storage facility in Plant City, FL. More information can be found on the Florida-Georgia District web site: <http://flgadistrict.org/floodbuckets>

Contact the FL-GA District Office:
