## Is Your Retirement On Track?

The **Florida-Georgia District\*** and **Concordia Plan Services** are offering a pre-retirement workshop, hosted by **Trinity Lutheran Church!** This workshop is designed to help you as you plan for that very important transition in your life: **RETIREMENT!** Start learning what you'll need to know about making plans for *your* future.

*\*Workers from other districts are also welcome to attend!*

Workers of all ages who are serving the Church (*especially those age 50 or older*) and their spouses are encouraged to attend to begin understanding the process of planning for retirement and all that living in retirement entails. The workshop will cover subjects including retirement income and expenses, healthcare in retirement, saving for the future, and planning your retirement lifestyle.

Paul Snyder, Financial Wellness Educator for Concordia Plan Services, will lead this workshop. He will be sending you additional information shortly before the workshop.

We encourage you to share this information with all benefit-eligible workers at your ministry!
