

Subject: Save the Date O₂ Regional Near You!

FiveTwo Network in a joint effort with the Florida-Georgia LCMS District is holding an O₂ event in your region. At the O₂ Regional event you will help us **create a Mission Map specifically for the Atlanta communities** by defining where new ministry starts (not just new churches) need to be and which local leaders will be raised up to led them.

We invite you, along with your staff and missional lay leaders, to attend this free event on **Saturday, August 4th at Grace Lutheran Church in Atlanta**. It is very important to bring lay leaders with you. The event starts at 8:30 am with breakfast and ends at 12:00 pm.

Join us in making a difference by intentionally working together to create a region-wide and then a city-wide vision, flowing from [President Walton's 2021 vision](#). Many churches love the inspiration and strategy this event gives the church leaders to launch new ministries that target their communities.

Bring your lay leaders with entrepreneurial gifts or creative types in your congregation. You and your leaders will get a free summary of the FiveTwo Assessment after registration.
