## SECTION TWO

The purpose of Section Two is to receive a report from you regarding the level of your involvement in the Synod or limitations in light of your own personal situation and circumstances. Thank you, as you are able, for your contribution to the work of the Synod.

(Bylaw 2.11.2.1 states, "An emeritus member is one whose membership is held for retention on the roster upon retirement after reaching the age of 55 or for reasons of total and permanent disability. Any unusual case shall be decided by the Council of Presidents if the appropriate district president so requests. The emeritus member or a representative identified by the member's district president shall, by January 31, make an annual report to the member's district president. This report shall include current contact information and address the criteria for remaining an inactive member of the Synod." Bylaw 1.3.4 states, ". . . members obligate themselves to fulfill such requirements [of membership] and to diligently and earnestly promote the purposes of the Synod by word and deed." Bylaw 4.2.3 (b) states, "All advisory members are expected to attend all sessions of the [District] convention . . . " And, Bylaw 4.8.2 (d) states, "All ordained and commissioned ministers on the District rosters are expected to attend meetings of their official conference or present a valid excuse." In the space below, please comment on your efforts during the past year to fulfill these responsibilities as an advisory member of the Synod. Use additional pages if necessary.)
