Bread of Stone Music - We welcome back BoS to lead our worship! A song list will be made available if you want to print lyrics sheets or listen to their music ahead of time. Stay tuned!

Main Speaker Sessions - Dr. Jake Youmans and his high school daughters Leilani and Maile will be unpacking our theme from Romans 8:38-39 in three mini sessions during the night!

Reflection Discussions - Immediately following each of the three talks by the Youmans, there will be 10 minutes provided for a discussion. Consider having your youth prepared in small groups with a leader to facilitate the discussion. This is also an opportunity to refill snacks or use the restroom.

Cross Take Home Activity - Wes will be leading us in a craft "a faith you can grip on to." For this craft, you'll need a cross from the Cross Makers of Seward. [Their Etsy Page](#) or [Facebook Page](#). To order call 402-643-0115 between 9 AM - Noon. The crosses are \$4 each plus shipping for the order. Make sure to mention you are ordering for the FLGA MSYG and you want the "unstained" crosses. You'll also want traditional sharpie markers. You'll be drawing on wood so some colors may not show as well. **Order by October 28th to ensure they arrive before the event.**

Q and A with Bread of Stone - This will take place after the end of the gathering. Feel free to stick around to hear from and talk with the band!
