Simple Bible Study - Voices and Stars Discussion Questions

This study is meant to be Quick, Easy, and Engaging. Feel free to use all or any of these discussion questions to promote a good study with your group.

1. Throughout the Bible study video, Cris talks about the abundance of God's creation.

- Take a moment and think about the last year and a half (March 2020 to the present).
 - Where have we seen abundance in our lives?
 - Where in our lives have we seen scarcity?

2. In Genesis chapter 1 (read the chapter), the creation is described.

- When God created man and woman (Adam and Eve) on the sixth day of creation, He put them in charge of His handiwork.
- What in God's creation was abundant? Was anything not plentiful or scarce?

3. In chapter three of Genesis (read the chapter), because they violated God's rule (Don't eat from the tree in the middle of the garden), Adam and Eve lost so much.

- What things that were an abundance in God's creation did they lose?
- How did life change for Eve? Adam? You and me?
- God did give us a measure of hope in Genesis 3:15. What did God promise? Who did God promise? (How does this point to Jesus?)

4. We move to Genesis chapter 15 (read the chapter). God talks to Abram, who feels unworthy and can't seem to comprehend what God wants to do through him.

- What does God promise Abram/Abraham?
- How does God's promise affect you and me?

5. All the way back in Genesis, Jesus was present.

- Read John 1:1-14
- This reading echoes the creation narrative where the Word (Voice) refers to Jesus.
- What are some other examples in Scripture that help us know Jesus has always been?

6. God sent His Son, Jesus, as a living sacrifice for the sins of Adam and Eve and those of the entire world, past, present, and future.

- What abundance did Jesus bring to the world?
- What scarcity did He rid the world of? (John 10:10)

7. In Genesis 15 God had Abram look at the stars to remind him of the abundance of his promise.

- What can you look at around you to remind you of abundance of his promise?

Final Thought God's story is ours too. God created everything, including you and me, and gave us an abundance of so much in His creation. We lost it through sin, but Jesus has given us everything we need through His sacrifice on the cross. God's grace covers the sins of Adam and Eve as well as ours. It's Jesus' direction (Matthew 28:18-20) for us to spread the Good News of the Gospel throughout the world so all who believe may one day live in the abundance of God's love. Have Peace.
