

MARCH PRAYER GUIDE FOR SCHOOLS

During the month of March, lift up the ministry of our Lutheran schools and Early Childhood Centers as they teach the Gospel truth that all who believe in the name of Jesus will be saved. (Acts 16:31)

Monday: Thank our Sending God for filling our schools with godly leaders and teachers who show the love of Jesus every day.

Tuesday: Ask the Holy Spirit to work through the call process. Pray for wisdom as calls are extended and deliberated. Ask God to move in the hearts of our youth to enter into the education field.

Wednesday: Thank God for pastors and youth workers who serve as ministry partners in our schools. Pray for God's blessings on their special ministry to our students and families.

Thursday: Lift up the admissions process for the upcoming school year. Ask God to send new families to our schools so that the Word of Christ may reach into our communities through our schools.

Friday: Ask God to grant rest and renewal to principals, directors, and teachers so that they may be strengthened for ministry as they serve others.
