cancer is strong. **hope is stronger.**

## WHO WE ARE

Phil's Friends provides Christ-Centered practical, emotional and spiritual support to those affected by cancer through care packages, prayer, and ongoing encouragement through our Cards of Hope program.

So far in 2022 we have supported over 3,000 cancer patients and families through prayer and care packages. In addition, we have sent over 30,000 Cards of Hope with scripture to follow up on the journey.
