

SUMMER PRAYER GUIDE

JUNE & JULY 2023

YOUTH LEADERS

Dear Lord, give our youth leaders energy and strength as they plan VBS, servant events, group activities, and so much more. May each event build relationships, increase trust, and create opportunities for the Gospel to be shared.

FUN IN THE SUN

Dear God, creation reveals your greatness and love for us. Summer is a time to be outdoors. Give our students and youth a sense of wonder at your creation, and keep them safe as they play and explore the world you made.

SCHOOL LEADERS

We lift up our school leaders who are busy with summer programs while preparing for the new school year in August. They need your wisdom, Jesus, and they need your peace. Help them to find their rest in you.

TRAVEL ADVENTURES

Dear Jesus, summer is filled with trips and travels. There is no place we can go where you are not present. Remind us of your promise to be with us always, and as we enjoy vacation time, remind us to give you thanks.

TEACHERS

Heavenly Father, as teachers turn off alarm clocks and set aside lesson plans, renew their tired spirits and their love for school ministry. Let the slower pace of summer help them to pause and spend quiet time with you. Shower them with the blessing of joy.

COMMUNITY

Our neighborhoods are full of families who do not know you, Jesus. Flood our school and youth programs with the power of your Spirit, and open new doors into the community during this time of youth activity and school enrollment. Let us be a light of grace to your glory.
