

2024 Ministry Wives Retreat

Canterbury Retreat & Conference Center
Oviedo, FL

Greetings from the Ministry Wives Wellness Team of the Florida-Georgia District! Formed by President Rockey, our Ministry Wives Wellness Team was given the task of organizing an event specifically for the pastor's wife to be held during the September 2023 President's Equip Conference. Deb Burma, a Christian Author, joined us for a special luncheon and led workshops designed from a Ministry Wives perspective. *If you attended, we are so glad you were able to come along-side, support and encourage one another, and hope you will join us again at the upcoming Ministry Wives Wellness Retreat, April 5-7, 2024. If you missed the September event, please plan on joining us in April.*

Deb Burma will join us for the full weekend and help us unpack the promises found in Psalm 46; reminding us that in Jesus, we find rescue and renewal. We have also built-in time for rest, private devotions, praise, and relationship-building activities.

**Save the date and plan on joining us April 5-7, 2024
as we gather under the theme
