WORKING TOGETHER

Your membership in the President's Circle furthers the work of the Church by bringing Acts of Grace to those in serious need. Recipients cannot apply for this aid; it is not a loan or a grant. We are sharing

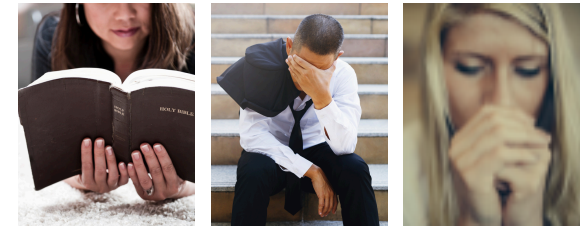

grace with those in need. Becoming part of this outreach is as simple as completing the attached form and returning it to the District office. You will receive regular reports and special messages from me, sharing how this loving outreach is helping brothers and sisters in the faith.

Thank you for your prayerful consideration and fervent support.

CONTINUING THE TRADITION

Since the Church's earliest days, God's people have shared resources – especially in times of distress. Since its founding, the Florida-Georgia District has assisted ministries and church workers by providing exceptional support and help with resources gathered from our two states.

The President's Circle expands this District ministry, sharing Acts of Grace to people and ministries in times of specific need with resources for this purpose. This outreach has already provided vital assistance in many situations – flood and fire damage, emergency medical care, required relocation, unanticipated job loss, and other emergencies.

REACHING OUT IN LOVE

And the need continues. Every day in our District, workers, and ministries struggle because of unforeseen trials and challenges. Often, the needs are known by our District President and the staff but are not able to be met – budgeted funds and resources are just not available.

Through the cooperative effort of the President's Circle, support and resources can be distributed where they are needed when times are most difficult.

Financial Support – Monetary resources help those going through severe financial struggles. Funds are distributed to assist – not to sustain – workers and ministries in times of serious need to get things back on track.

Prayer – The President's Circle creates a powerful and enthusiastic network of Christians who together seek to help those in serious need by lifting them to the Lord. Prayer requests are shared from the President's office.

Resource Sharing – Special resources available throughout our District can be shared when serious needs arise in the lives of workers and ministries. An ever-expanding database monitored by the President's office connects these resources to those in need.
