

Helping Children Learn About Jesus in Uganda

In February, our chapel offerings will support Hearts for Jesus, a special giving project that helps children attend Rafiki Christian Schools in Uganda.

Rafiki schools provide:

- Christ-centered education
- Daily care and encouragement
- A strong foundation in God's Word

Through your child's chapel offering, students in Uganda will have the opportunity to learn, grow, and discover the love of Jesus in a Christian school environment.

Chapel Offering Dates: February

🎯 Our Goal: Help provide Christian education for children in Uganda

Thank you for partnering with us as we share God's love around the world.

“Let the little children come to me.” - Matthew 19:14
